MAGNETIC BASE DRILLING MACHINES

- Australia's most comprehensive range of magnetic base drilling machines, cutters and accessories.
- With our wide range of machine styles, sizes and designs, there is a Holemaker machine to suit every application.

- Reliable and durable European made machines
- Value for money that far exceeds any other brand on the market
- Over 20 different models of magnetic drilling machines, stocked in Australia!
- Over 25 years of product development
